Exports

October 22-28

Release:
November 9, 1973
3:00 P.M. ET

Export sales outstanding on October 28, were released today by the Crop Reporting Board of the U. S. Department of Agriculture (USDA).

This is the second report issued by the Crop Reporting Board, based on tabulation of reports of export sales submitted to USDA's Statistical Reporting Service (SRS) as required by Section 812 of the Agriculture and Consumer Protection Act of 1973. U. S. exporters of wheat and wheat flour, feed grains, oilseeds, rice, cotton and products thereof, are required to report weekly to SRS.

In addition to sales outstanding to known destinations, three additional totals are shown for each commodity or commodity class reported:

1. Total sales outstanding to unknown destinations.
2. Exports outstanding for exporter's own account - that is, exported but not yet sold.
3. Sales outstanding with an optional origin which includes the United States.

Significant changes in the current week that were due to previous mis-reporting or improper classification will be identified by footnotes to the appropriate table.
